Re: Request for Support to Save Canada Post

We Thank You for your letter of September 15, 2014, requesting support to Save Canada Post and for the general explanation of the proposed changes. Your letter was presented for discussion to our Town Council at our regular council meeting of October 14, 2014, and the Council resolved:

that the Town of Two Hills write a letter to the Minister responsible for Canada Post that calls on government to seriously consider reversing the changes to services announced by Canada Post, and to look instead for ways to increase service and revenues in areas such as postal banking; and

Further that the Town of Two Hills ask the Federation of Canadian Municipalities to request that that the federal government properly consult with the public about what kind of postal service they need before allowing Canada Post to make such major changes to the public postal service.

Canada's Postal Services is important to us and we wish you success in retaining the services we require to maintain our post offices.

Sincerely,

TOWN OF TWO HILLS
