RE: The Future of Canada Post

Dear Ms. Raitt,

I am writing on behalf of the Fernie Chamber of Commerce and Visitor Information Centre, to express support for the Future of Canada Post in Fernie.

We feel that Canada Post and the Federal Government should do everything possible to prevent further cuts to existing services provided by Canada Post.

Canada Post is a public service that belongs to every Citizen in Canada. Canada Post provide invaluable services for individuals and businesses, especially in the rural areas of Canada.

We hope that you will consider innovative ways to increase revenue for the Corporation that will prevent further cuts to our already limited service.

Sincerely,
